In this context, CII Institute of Quality - TPM Club India has organised an exclusive Best Manufacturing Practices Mission only for AIDC-South Africa delegation to India from 26 to 30 November 2018 – in Bengaluru, Pune & Mumbai. The Mission was included visits to seven major Manufacturing companies such as **Godrej Lawkim Motors Ltd., Lumax Industries Ltd, Bajaj Auto**

**Ltd., Chakan, Harita Ferher Ltd., Wheels India Ltd., Raychem RPG Ltd., Godrej Precision Engineering Ltd. and an exclusive visit to our Mega event '26<sup>th</sup> Global Quality Summit'.**

The purpose of the visit is to give a first-hand experience on India's Manufacturing Improvement programs & to showcase best manufacturing practicing methodologies at the above mentioned companies. The objective of the mission was to learn various tools & techniques of TPM & see how it helps the organization in achieving their KMI, KPIs and how it is can be linked to KAI. This mission has helped many delegates intended to have TPM practices at their Organization(s) in South Africa. All the companies showcased their company's overview, journey of TPM, Lean, Case studies & visits to their shop floors which showcased the best practices.

Altogether, the mission was fruitful and effective and members were satisfied with the visits and lecture on TPM sessions held at various companies. The delegation are keen on continuing their relationship with CII-IQ and decided to work with TPM Club India in TPM Practices at their companies in South Africa.
