

Workshop on Planned Maintenance & visit to Best TPM Practicing Companies 23 - 25 April 2018: New Delhi (GURUGRAM)

CII TPM Club India is organizing a unique workshop on **Two day Planned Maintenance hosted by RICO Auto Industries Ltd & one day visit was made to best practicing TPM Companies like; *Munjil Showa Limited & Sunbeam Auto Limited.***

Planned Maintenance (a salient Pillar of TPM), could be explained as a specialized activity performed by the plant Maintenance team members, which principally focuses on the improvement of equipment reliability and maintainability by restoration and sustenance of the optimal conditions, at the most economic cost.

The objective of this workshop & visit was to improve the availability of machines / equipment for production and achieve qualitative production, the machines/equipment are to be kept in **“as desired condition”**. Maintenance division with the help of operations division can ensure this condition. The main objective of maintenance division is to ensure the reliability of machines / equipment and maintainability of the same.

The entire 3 day Program was facilitated by Mr Tausif Khan, Counselor, CII TPM Club India. There were 26 delegates got benefited by this Workshop.

Training session being conducted by Mr Tausif Khan on Planned Maintenance, 23-25 May 2018, Gurugram
