

CII-EXCELLENCE IN OPERATIONAL TECHNOLOGY (EOT)

Awards & Certification

CII - Operational Excellence

Objective of these Awards and certifications from CII IQ is to provide Motivation in the form of recognition for the organizations who are in the journey of Operational Excellence implementation. This will enable the organization to get more value additions in their business process to achieve higher efficiency and effectiveness. It will also help the companies to contribute more to their stake holders and the nation.

1. Certification

To evaluate the progress made by company year on year in TPM activities and to motivate the employees by providing lot of value additions. The certifications are created by CII institute of Quality – TPM club India and the assessment criteria is designed to make companies aligned for the longer journey of 3.5 years for JIPM excellence award.

S. No.	Description	Criteria	Fee	Assessment Mandays
1.1	TPM Certification - Strong Commitment	1 Year after Kick Off	INR 1,40,000	1
1.2	TPM Certification - Significant Achievement	2 Years after Kick Off	INR 1,60,000	1

In the case of Non consulting companies with TPM club - CII, a one-day pre assessment (at consultancy charge of Rs.40,000 per day) is necessary to identify the gaps in requirement and give feedback on requirements. Then the second Assessment is to find out the compliance and certification.

For MSMEs the charges are as follows, (< 50 crore)

S. No.	Description	Criteria	Fee	Assessment Mandays
1.1	TPM Certification - Strong Commitment	1 Year after Kick Off	INR 75,000	1
1.2	TPM Certification - Significant Achievement	2 Years after Kick Off	INR 1,00,000	1

To appear for significant achievement, strong commitment clearance is necessary

2. Awards

It is also planned to provide a robust module for operational excellence evaluation manufacturing companies for enhancing their effectiveness in delivering of Goods and Services and to create more value for the Nation. CII-Excellence in Operational Technology (EOT) Award can be achieved by implementation of TPM or any best practice for the mentioned period in the criteria. In case of other than TPM the assessment will be done based on company practices or their model / methodology compliance.

CII –Excellence in Operational Technology categories along with criteria, fee and assessment man-day are mentioned below:

S. No.	Description	Criteria	Fee	Assessment Mandays

About CII Institute of Quality

CII Institute of Quality is the leading authority in Quality Enhancement among organizations and industries. Over the past century, CII has provided Indian Industries with the support, systems and tools to make a mark in the competitive world. It is realized that the best way to enhance an organisation's competitiveness is through the quality route. What started as the Total Quality Management Division (TQMD) of CII in the mid-eighties, has now evolved as CII Institute of Quality. As a champion of the Quality movement, CII IQ is powered by the responsibility of enriching the lives of its members, improving their workplaces and making the world at a large, a better place by applying quality tools, techniques and systems. CII IQ provides the best of its kind training and consulting services to organizations to help improve their performance and set a standard of excellence.

About TPM Club India

When the Indian economy was opened up during early 90's, Indian Industry had to constantly strive towards becoming competitive with many global players entering Indian Market. One such philosophy which has been very successfully adopted was Total Productive Maintenance (TPM).

With an objective of supporting Indian Industry to become competitive through adoption of TPM, Confederation of Indian Industry (CII) signed a MoU with Japan Institute of Plant Maintenance (JIPM), Japan in March 1998. TPM Club India of CII thus became the launch vehicle to promote TPM in India.

Objectives of TPM Club India

- Being a National Focal Point of reference for JIPM - TPM activities
- Promote JIPM-TPM by disseminating information through Seminars, Conferences, Training programmes, Newsletters etc.
- Assist industry to implement JIPM-TPM through counseling & training
- Contribute to understanding of JIPM-TPM through research & development
- This service is aimed at developing companies to become competitive in the Global Market. We support both Indian and Overseas companies

Following are the services offered

- Preliminary visit for TPM implementation
- Consultancy
- In-house Counselling and Training
- Open Programs - Seminars & Workshops
- Conferences – TPM National Conference
- Competitions
