September
Chennai

CII Institute of Quality (CII-IQ) is organizing the 23rd Edition of its flagship event the CII TPM National Conference on 28-29 September 2023. This is the 25th year of establishment of CII-IQ TPM Club India.

India has embarked on a dynamic growth era aiming to become a developed nation by 2047 with 35\$ to 40\$ trillion economy, The Confederation of Indian Industry (CII) is committed to partnering with Indian Industry in achieving its aspirations for growth. This will be done through inclusive development, building competitiveness, sustainability, globalization, and building trust with all stakeholders. To achieve all this, the GDP growth rate has to be sustained at the rate 7% - 7.5%, the role & contribution of Indian industry, especially the manufacturing sector is very vital for the nation to achieve it.

With this backdrop, the Confederation of Indian Industry (CII) has also chosen its theme for 2023-2024: 'Towards a Competitive and Sustainable India@100: Growth, Inclusiveness, Globalization, Building Trust'

TPM Club India started its humble beginning in year the 1998 to support Indian Industries through TPM Training and Consulting services. Indian Industry has made exemplary achievements over the last decade in the global arena, due to many significant policy and support mechanisms. Indian Industries are being globally recognised and winning laurels with its world class products and services, such as winning more than 40% of the International Japan Institute of Plant Maintenance and Deming Awards, Japan.

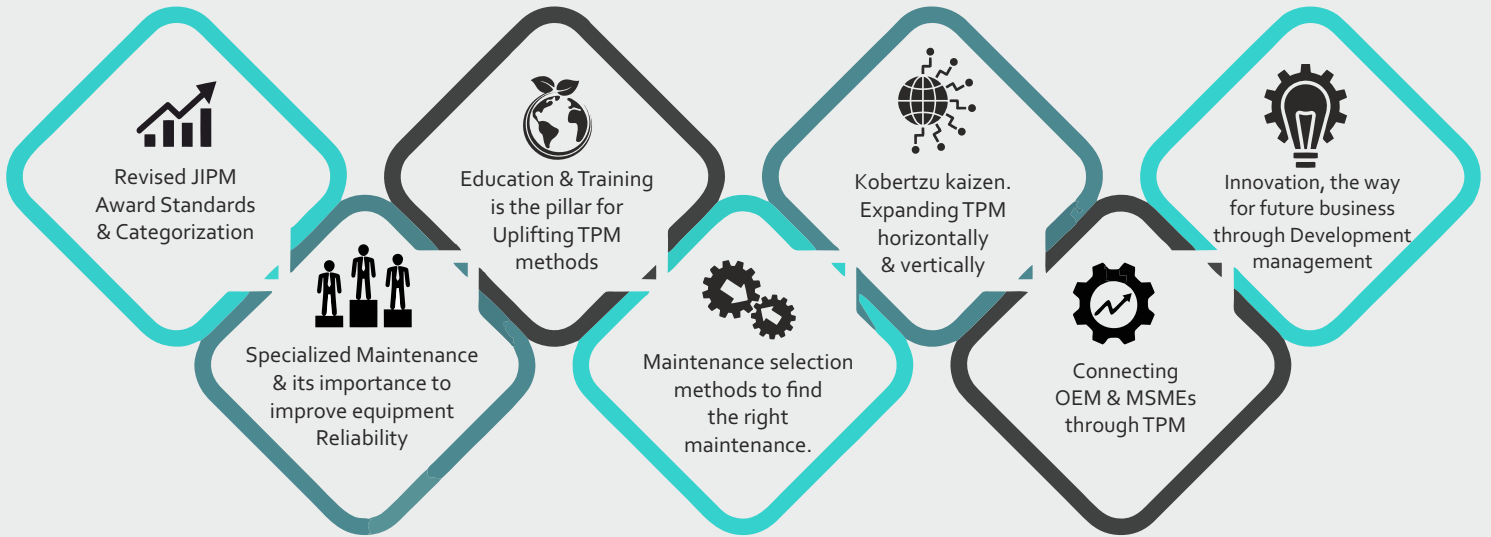

CII Institute of Quality (CII-IQ) is organizing its annual flagship event, the CII- IQ TPM National Conference on 28-29 September 2023 at Chennai, with the theme 'TPM - Catalyzing Exponential Growth'. There will be various special sessions in which many renowned senior professionals will share their experiences and journey of TPM Excellence for achieving best results. CII supported by the Indian Industry has been the pioneer of the Indian Quality Movement and now with your support, CII-IQ endeavours to lay the foundation for the futuristic Quality technologies for making India Competitive, Inclusive and Self Reliant.

You are cordially invited to be a part of this intellectual forum and can support this endeavour through becoming a partner of this prestigious event. The event is attended by key industries who are a part of the TPM movement and many others embarking on this journey. It has been a highly successful event due to support of stakeholders like you, whose partnership has supported CII in inviting technical thought leaders and organizing masterclasses and special sessions for furthering this National TPM Movement. The Conference will give you wide visibility amongst discerning customers, with significant accruals to your Brand Image.

Since its introduction in 1998, the benefits accrued to the Indian industry through TPM Implementation include
