

# 47<sup>th</sup> CII National Kai-Zen Competition

0900- 1700 hrs | 21- 22 November 2023 | Virtual Platform

Continuing with the initiatives to recognize the achievers through awards and competitions to inspire other organizations to excel, CII IQ is pleased to announce its 47th Kai-Zen Competition. This year the Kai-Zen Competition is being conducted through the digital mode.

CII Institute of Quality has been engaged in building capacity of Indian industry over more than 4 decades to make them globally competitive by enhancing their quality of products and services through world class organizational practices. This competition is its continuing effort to showcase the best practices to learn from and apply the same to improve the competitiveness of the industry.

TPM Club Kaizen Conference has emerged as a well-known unique platform for Indian Industries to showcase their innovative ideas for improvements. This 2-day competition focuses on information sharing about best practices covering innovative ideas, zero breakdown, zero defect and zero accident philosophy, issues countered by companies in TPM journey & the practical solutions implemented by them.

This competition has become a platform where CII-TPM Club India brings together experts, practitioners, consultants and other professionals from TPM and related technologies through exchange of ideas and deliberations. This Kaizen Conference will showcase more than 100 best Kaizens from the industries for their strong competitive and innovative ability in this constantly dynamic business scenario.
