Call for Papers

Being the main associate for the business growth in Indian Industry. CII Institute of Quality, TPM Club India like to appreciate your organisation for opting Improvement Tools & Techniques for business growth and would like to invite you to the 21stCircle Competition happening in Virtual on 8-9 August 2024

With the introduction of Cross Functional circles in the year 2023, Circle Competition has framed into two segments as "Group A " (TPM Circles) and "Group B" (Cross Functional Circles). Having achieved good level of results in TPM Circles and Cross Functional team, "how effectively the organisation is integrating the Circle activities towards the expectation of business goals" and the second focus should be "how much more the Circles can be deployed in Bottom up approach towards the Management Objectives"

There will be Circle level case study presentations from various Companies / Plants under various themes of KPIs. CII TPM Club India would be glad to have your case studies done by the Operator Level / Shop Floor Circles / Cross functional level Circles in the same forum. This will undoubtedly help your organisation to take the circle activities towards Organizational Excellence.
